

Thursfield News

Thank to everyone for your support in promoting School Attendance during this recent cold snap.

A huge thank you to Mr Plant for his hard work in keeping the school safe during the frosty weather.

19th January 2024

Over the next 2 weeks the children will be completing their Spring 1 Science Block.

You can find further details on our School Website.

This week the children completed assessments in Reading, Maths and Grammar. All pupils have worked extremely hard and we are very impressed with their 'can do attitude'. Well done.

Parking

Please be mindful of our neighbours and local community when completing the school run. We have had a report this week that a parent has blocked access to a local driveway and one who has reversed into someone's drive. Please consider where and how you park when visiting the school. Thank you for your support.

Thursfield Pantry

We have a selection of non perishable food items in our Pantry. If you would like to take advantage of this please call the School Office in confidence.
