

WHAT SHOULD I ALREADY KNOW?

- I know which colours objects should be and I select these when colouring or drawing
- I know how to use the correct art medium for my design
- I know that an artist creates paintings, drawings and/ or sculptures
- I know the name of an artist through listening to what has been read to me

Colour is created when light is reflected off a surface.

WHAT WILL I LEARN?

- Pencil crayons, paint and wax crayon are all art mediums.
- Two primary colours mixed together makes a secondary colour.
- There are 3 primary colours: red, yellow and blue.
- There are 3 secondary colours: orange, purple and green.
- On the colour wheel, warm colours are colours associated with the sun, warmth and fire. They evoke warm feelings in people. Cool colours have a cool effect on people.
- We can blend from one colour to another using different art mediums.
- Andy Warhol was a Pop Artist.
- Andy Warhol was born as Andrew Warhola but changed his name to sound more American.
- Pop Art includes simple, bold images of everyday items, painted in bright colours.
- Typical features that Andy Warhol included in his work are: simple images, bright colours, popular people, and the same image but in different colours

Primary Colour

There are 3 primary colours: red, blue and yellow.

By mixing any two primary colours together, we get a secondary colour.

Colour Wheel

A circle with different coloured sectors to show the relationship between colours.

Colour Blending

Slowly transitioning from one colour into another by overlapping colours.

ARTISTIC STYLE

Simple, bold, bright images of everyday items and people.

ANDY WARHOL (1928-1987)

ARTIST

Andy Warhol was a leading figure in the Pop Art movement. His work featured bright colours, simple objects and famous celebrities of the time.
