

WHAT SHOULD I ALREADY KNOW?

- I know how to join materials using glue or tape.
- I know how to use small tools such as scissors.
- I know how to share my creations, explaining the process I have used.

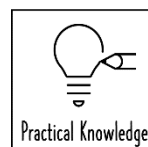

STICKY KNOWLEDGE

- A running stitch can be used to attach two pieces of material together.
- How to measure, cut and shape fabric.
- How to handle equipment safely.

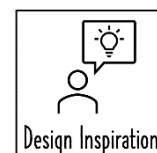

VOCABULARY

Needle	A thin tool made of steel with a hole at one end for thread and a sharp point at the other.
Running Stitch	A simple stitch consisting of a line of small even stitches.
Template	A pattern used as a guide for cutting.
Thread	A long, thin strand of cotton used in sewing.
