

## WHAT SHOULD I ALREADY KNOW?

- I know how to attach a button.
- I know the difference between an over stitch, running stitch and cross stitch.
- I know I need to use a template.

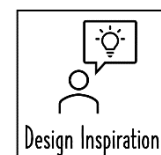

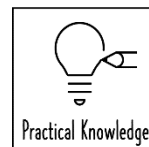

## VOCABULARY

Back stitch	A method of sewing with overlapping stitches.
Fasteners	Used to hold pieces of material together such as a button or zip.
Pattern	Used as a template for cutting out pieces of textile product.
Seam	The line where two pieces of material are sewn together.

## STICKY KNOWLEDGE

- I know how to use computer aided design to create a template.
- I know how to use different stitches including back stitch.
- I know how to pin materials together accurately to create a product.

## WEAVING CONCEPTS

## STITCHES

### Stitches:

**Running stitch** (simple stitch consisting of a line of small even stitches)

**Overstitch** simple stitch consisting of the thread going over the edge of the fabric, usually used to stop a fabric from fraying.

**Cross stitch** (pairs of diagonal stitches cross each other in the middle to form an X).

### Back stitch
