

# THURSFIELD'S READING REWARDS

Children's planners will be checked every Friday.

If your child has read 3x that week, they will receive a star stamp on their reading record in the back of their planner and a raffle ticket for our termly draw.

Children work towards bronze, silver and gold reading certificates (10 stamps per level) which will be awarded during golden book.

At the end of each half term a raffle ticket from each key stage will be drawn. The winner will receive a book. This ticket will be placed back in to be eligible for the termly prize.

At the end of each term, one raffle ticket will be drawn and the winner will receive a kindle.

If children fill their charts they can pick a book from our selection.
